Board of Supervisors  
York Township  
190 Oak Road  
Dallastown, PA 17313

Ladies and Gentlemen of York Township Board of Supervisors,

The members of Laurel Fire Company #1, Windsor, PA are excited about the upcoming 98<sup>th</sup> Annual Convention of the Firefighter's Association of York County. Due to limited space in Windsor Borough, we have elected to hold our Saturday outdoor event at Dallastown Area High School. The event will include a motorcade of fire apparatus, both brand new and some as old as the 1800's.

We want you to know the motorcade will pass through York Township at several locations and various times. We would like you to inform your residents of the motorcade through word of mouth, message boards, etc. This is NOT a parade, and will move at 25-35 miles per hour. The motorcade route will be monitored at intersections by members of the York County Fire Police Association. York Area Regional Police will lead and follow the motorcade. The motorcade should inconvenience motorists probably no more than 10 minutes. No streets need to be closed to traffic.

The motorcade will leave Dallastown Area High School promptly at noon and should return between 1:30pm and 2:00pm, Saturday, August 21, 2010.

This motorcade will allow use of all emergency lighting, spin type sirens only (no electronic sirens), and bells throughout the motorcade route. A copy of the motorcade route is enclosed.

The firefighter's motorcade is a first-time endeavor for York County firefighters, although it has been used successfully in the Harrisburg area. We thank you so much for your assistance and co-operation.

Should you have any questions, please contact our Convention Chairman, Tom Ness, at 244-3706.

Sincerely,

Laurel Fire Company Convention Committee

**MOTORCADE ROUTE**  
**F.F.A.Y.C. CONVENTION**  
**AUGUST 21, 2010**

**FORMATION TO BEGIN AT 11:00 AM**

Motorcade will form along the west side of New School Lane facing Dallastown. Each department will be notified when to fall in line.
