Submitted by Debra Hatley, Director

Action Items

- A recommendation regarding the engineering firm for the Fitz Park renovations will be requested.
- Approval of the capital projects list will be requested.
- Recommendations regarding the concept of intermunicipal programming will be requested.

Administrative Items

- Director attended Dallastown Area School District Facilities Rental Meeting on September 9.
- Construction Meetings were held on September 10 and September 24 for the Park Building Project.
- Director attended PRPS District 2 Board Meeting on September 12.
- Meeting held with First Capital Engineering to obtain quotes for Fitz Park project and bridge crossings for Mill Creek Preserve.
- Director attended Ma & Pa Community Greenway Feasibility Study Kickoff Meeting on September 23.
- Bids for renovation of York Township Park basketball courts and construction of the Tyler Run Park court were opened on September 29.

Programs

- **Bocce**—The Summer Bocce League ended September 17 with a pot luck dinner for all to enjoy. Everyone on the league had a great time and are looking forward to playing shuffleboard during the winter.
- **Girl's Softball**—The Township has two teams participating in the Fall Ball League. There is a 14U Major team and a 16U Minor team and each team is full. The girls play doubleheader games on Saturday or Sunday either at their home field on York Township Ballfield #3 or away.
- **Senior Strides**—Senior fitness classes began on Monday, September 22 and there are ten returning participants.
- **Interval Step**—There are five participants in this class who were very happy to return for class since they had the month of August off.
- **Learn To Swim**—One of the department's newer programs has been very popular. This class has eight children registered and another class has been added after the current session.
- **Water Babies**—Due to low registration this class was postponed by one week. There are now eight children registered for the program.
- **Start Smart Sports Program**—This is another new program the department is offering. This program is designed to teach children ages 3-5 an introduction to sports without fear or competition. This program did not receive enough interest and will be offered at another time.
