Regarding Appl.2002-30, Lincoln Intermediate Unit No. 12 requests a Special Exception to operate a noncommercial school on the property located at 3290 Cape Horn Road, I make a motion that the Special Exception be approved. Also, at the same application a

Variance to use a play area that is not fenced in on the property, even though it is difficult to find a hardship, I have to say that perhaps the hardship could be that this area is presently used by other townships and municipalities, therefore, they using it for their sports and so on, if they fenced this area in perhaps they could not continue to use that area as they have been before, so I make a motion that we accept the Variance on the application.
